

Junior + Intermediate Interior Designers

Bennett Design Associates – Toronto + Greater Toronto Area, Ontario

Award Winning Design Firm! Two Locations! Great People! Rewarding Career!

Are you a creative-thinking, detail-driven, earth-loving, team-playing interior designer? This might be the place for you! Bennett Design is a busy Interior Design firm and we are looking to add junior and intermediate designers to our team at our downtown office and at our north GTA office.

You will be collaborating with our talented Design Team in a fast-paced environment focusing on corporate office and/or commercial/retail interior projects.

Your Skillset:

- Team player and reliable
- Multi-tasking, organization and strong interpersonal skills
- Excellent AutoCAD skills, Revit is an asset
- Proficiency with Microsoft Office, Adobe Photoshop, SketchUp
- Space planning, design and construction drawings
- Knowledge of systems furniture and associated product
- Strong written and verbal English skills, French is an asset

Qualifications:

- 1 - 6 years experience in Corporate and/or Retail Design
- Interior Design Graduate of an accredited Interior Design Program, or equivalent and an ARIDO member in good standing
- Willing to travel to client sites throughout GTA and potentially across Canada

What is important to you:

- A positive attitude
- Being kind to our world
- Never losing the fun
- Embracing adventure

Sound like you? Qualified candidates may send their applications including a resume, cover letter with relevant experience and work sample or digital portfolio to careers@bennettdesign.ca . Please indicate your preferred Bennett office location on your application.

Job Type: Full-time

Bennett Design is committed to providing an accessible workspace. Should you require accommodation during the recruitment process please notify the Company.
